

Wallaroo Retreat – 10th – 13th November 2016

Hosted by

Patchwork on Parade

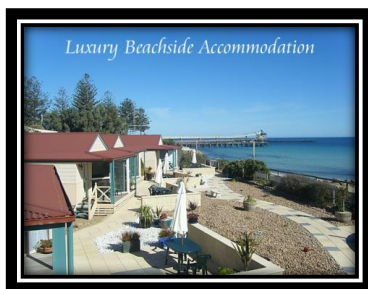

Treat yourself to a little luxury with a fabulous weekend of sewing on the beautiful Copper Coast in the seaside town of **Wallaroo**. Arrive from 3pm on Thursday 10th November and depart Sunday afternoon 13th November.

Imagine waking up by the beach, having a leisurely breakfast on your private patio before spending the day doing what you love? Tempting isn't it? Join us for this fantastic **luxury retreat** where you will not have to lift a finger except to sew, sew, sew!

Getting There

Wallaroo is an easy 2 hour drive from Adelaide, head north on Port Wakefield Rd and then onto the Copper Coast Highway; directions can be supplied if required.

Accommodation

We will be staying in **4 star self-contained beachside villas** in this lovely seaside town. Choose from either a beach front or pool side villa (Beachfront Villas are limited). The villas all have a private patio, two bedrooms (1 QS bed, 2 singles – plus another trundle style single), fully equipped kitchen, dining and lounge area, bathroom, toilet and laundry. The villas are set in lovely grounds and there is a heated pool on site.

Catering

The weekend will be catered, including **meals**¹, morning and afternoon teas, and all refreshments². Please let us know if you have any special dietary requirements and we will do our best to accommodate you. Your weekend of decadence will begin on Thursday night - registration and check-in is from **3pm** and then join us at 5pm for Happy Hour which will include lovely platters and bubbles. Weather permitting we will host a "meet & greet" buffet on the grassed area in front of the pool.

¹ With the exception of Saturday night – this will be a free night for you to spend however you wish.

² Non alcoholic beverages will be provided all weekend. A selection of wines will be provided for Happy Hour.

Projects

We will have a new teacher joining us for this retreat, Danyell Bruton. Danyell is one of my favourite clients, doing beautiful work which many of you have seen quite a few times. Danyell is a Mum to four boys and her outlet is sewing and I don't think there's anything she hasn't "tackled" in the sewing area. She will be teaching the techniques for a gorgeous quilt using 27 fat quarters; if that doesn't put a dent in your stash nothing will 😊!! You'll also have the opportunity to make a lovely bag in 2 different sizes. The pictures of the projects are shown below. Once your reservation is confirmed fabric requirements will be sent out along with further retreat information.

You may prefer to use this dedicated time to spend on a UFO, heaven help us we all have them 😊. Feel free to bring those projects that you have packed away, a retreat is just the place to get them finished! Even if you don't quilt you are still more than welcome. We are open to retreaters of all "denominations" - bring along your projects be they knitting, scrapbooking, card making, drawing, writing or whatever and enjoy the time to create or just chill out and be pampered.
